

Runlater Terms of Service

Hux Software, Inc. makes available on this site at no charge some software as a service. Using the Runlater service gives you limited rights about what you may do with it.

There is no warranty of any kind attached to your use of the Runlater service. Hux Software Inc. is committed to make available a software service of high quality, yet we cannot accept any responsibility for any incidental, special, or consequential damages that might result from the use or lack of use of the Software Service or of the related documentation, even if Hux Software Inc., is aware, or has been advised, of the possibility of such damages.
